

Tomorrow chords
The Bee Gees

A

Oooo, every day you make me cry, girl, I cry too much.

And today you say goodbye, girl, it's just too much.

Hey! I swallowed each and every lie, that you gave to me.

Where lies the man that I was, and the future that could never be?

Tomorrow, every ones gone to know me better.

And tomorrow, every ones gone to drink my wine.

And, tomorrow, every ones gone to read my letter,

and my story of love, and a love that could never be mine.

Oooo, Ask you to be my wife, girl, you were playing

Now I ask you where is my life, girl, you were saying?

Hey! I swallowed each and every lie, that you gave to me.

Where lies the man that I was, and the future that could never be?

Tomorrow, every ones gone to know me better.

And tomorrow, every ones gone to drink my wine.

And, tomorrow, every ones gone to read my letter,

and my story of love, and a love that could never be mine.

And, tomorrow, every ones gone to know me better.

And tomorrow, every ones gone to drink my wine.

And, tomorrow, every ones gone to read my letter . . .
