

Train Leaves Here This Morning chords
The Eagles (Gene Clark)

Capo II

D

I lost ten points just for being in the right place
at exactly the wrong time

I looked right at the facts there, but I may as well have
been completely blind

So, if you see me walking all alone
Don't look back, I'm just on my way back home

There's a train leaves here this morning, and
I don't know, what I might be on

She signed me to a contract, baby said it would
all be so life long

I looked around then for a reason
when there wasn't something more to blame it on

But, if time makes a difference while we're gone
Tell me now, and I won't be hanging on

There's a train leaves here this morning, and
I don't know, what I might be on

Break

ooo, ooo, ooo, ooo, ooo 2x

1320 North Columbus was the address
that I wrote down on my sleeve

I don't know just what she wanted
might have been that it was getting time to leave

And I watched as the smoker passed it on
and I laughed when the joker said, "Lead on."

Cause there's a train leaves here this morning, and

I don't know, what I might be on
