(talking with Em A in background)

We're gettin' tired of hangin' around
Waitin' around, with our heads to the ground
I hear a very gentle sound

Very near, yet very far
Very soft, yeah, very clear
Come today, come today

What have they done to the Earth?
What have they done to our fair sister?
Ravaged and plundered and ripped her and bit her
Stuck her with knives in the side of the dawn
And tied her with fences
And dragged her down

I hear a very gentle sound
With your ear down to the ground
We want the world and we want it...
Now
Now?
NOW!

Em A 4x

Persian night, babe
See the light, babe
Save us!
Jesus!
Save us!
