

Full many a sailor points with pride  
some sailor from the US Coast Guard, 1880-1900?

Full many a sailor points with pride  
To cruises oer the ocean wide;  
But they cannot compare with me,  
For I have sailed the Bering Sea.

2. While though youve weathered fiercest gale  
And every ocean, you have sailed;  
You cannot a salty sailor be  
Until you've sailed the Bering Sea.
