John Cherokee was an indian man  
Alabama John Cherokee  
He run away every time he can  
Alabama John Cherokee, way, hey, yah  
Alabama John Cherokee, way, hey, yah  
Alabama John Cherokee

They put him aboard a Yankee ship  
Again he gave the boss the slip

They catch him again and chain him tight  
And starve him many a day and night

Nothing to drink and nothin to eat  
He just fall dead at the boss's feet

So they bury him by the old gate post  
The very same day you can see his ghost
