Of time and rivers flowing
The seasons make a song
And we who live beside her
Still try to sing along
Of rivers, fish, and men
And the season still a-coming
When shell run clear again.

So many homeless sailors,
So many winds that blow
I asked the half blind scholars
Which way the currents flow
So cast your nets below
And the gods of moving waters
Will tell us all they know.

The circles of the planets
The circles of the moon
The circles of the atoms
All play a marching tune
And we who would join in
Can stand aside no longer
Not let us all begin.
