D                    D -            G                    D            D  
 Tomorrow Is A Highway Broad And Fair,  
   D                    D                    A7            A7  
 And We Are The Many Who'll Travel There.  
   D                    D                    - G                    D  
 Tomorrow Is A Highway Broad And Fai R,  
   D                    D                    A  
 And We Are The Workers Who'll Build It There;  
 G D            - A7                    D  
 And We Will Build It There.

Come, Let Us Build A Way For All Mankind,  
 A Way To Leave This Evil Year Behind,  
 To Travel Onward To A Better Y Ear  
 Where Love Is, And There Will Be No Fear,  
 Where Love Is And No Fear.

Now Is The Shadowed Year When Evil Men,  
 When Men Of Evil Thunder War Again.  
 Shall Tyrants Once Again Be Free To Tread,  
 Above Our Most Brave And Honored Dead?  
 Our Brave And Hon Ored Dead.

O, Comrades, Come And Travel On With Me,  
 We'll Go To Our New Year Of Liberty.  
 Come, Walk Upright, Along The People's Way,  
 From Darkness, Unto The People's Day.  
 From Dark, To Sunlit Day.

Tomorrow Is A Highway Broad And Fair  
 And Hate An D Greed Shall Never Travel There  
 But Only They Who've Learned The Peaceful Way  
 Of Brotherhood, To Greet The Coming Day.  
 We Hail The Coming Day.
