CAPO: 2nd FRET/KEY: E/PLAY: D

[D] Makes no difference now what kind of life fate [G] hands me
I'll get a-[D] long without you now, that's plain to [A7] see
I don't [D] care what happens next, ' cause I'll get by [G] somehow
I don't [D] worry 'cause It [A7] Makes No Difference [D] Now.

It was just a year ago when I first met you
I learned to love you and I thought you'd love me, too
But now that's all in the past and I'll forget somehow
I don't worry 'cause It Makes No Difference Now.

Now that we have really parted, I can't believe we're thru
I don't blame myself and I'm sure I can't blame you
There was something had to happen and it happened somehow
I don't worry 'cause It Makes No Difference Now.

After all is said and done I'll soon forget you
Altho' I know that it will be so hard to do
Let things happen as they will and I'll get by somehow
I don't worry 'cause It Makes No Difference Now.
