

**Alabama Bound**

Alabama Bound

I'm Alabama bound  
I'm Alabama bound  
And if the train don't stop and turn around  
I'm Alabama bound

Oh, don't you leave me here (2x)

But if you mus go anyhow  
Just leave a dime for beer.

Oh don't you be like me (2x)  
Drink your good sweet cherry wine  
And let that whiskey be.

Well your hair don't curve  
And your eyes ain't blue  
Well if you don't want me, Polly Ann  
Well I don't want you.
