All Through the Rain and Squally Weather

All Through the Rain and Squally Weather

Oh, squall in the morning, squall in the evening

Hay, ay, ay.

Oh squall in the morning, squall in the evening,

Blow my bully boy, blow my blow.

Blow Bull Johnson, blow your fibre,

Hay, ay, ay

Oh, blow your fibre from Antigua

Blow my bully boy, blow my blow.

Yes, she came in rimmin' the water

Oh, sandfly leg and mosquito liver

Oh the big Florita run down the river

Oh she went down the river to hunt Guinea nigger

Oh he want Guinea nigger to feed black nigger

Oh blow your fiber from Antigua

Oh, squall in the morning, squall in the evening

Hay, ay, ay.

Oh squall in the morning, squall in the evening,

Blow my bully boy, blow my blow.

From Deep the Water, Shallow the Shore, Abrahams
