

Amazing Grass

Amazing Grass

Amazing grass, how sweet the smell
That stoned a wretch like me.
I once was straight, but now I'm stoned
So stoned that I can't see.

Ms Tannen was inspired by Mr Cray to contribute this northern California strain, which puts me in mind of another --umm, "travody"?--which I heard performed in the early 70's by the Canadian bluegrass outfit the Good Brothers. The antecedent is obvious: HTHT
