

## Cunnla

Cunnla

from the singing of Joe Heaney

O who is that out there knocking the ditches down  
O who is that out there knocking the ditches down  
O who is that out there knocking the ditches down  
Nobody, only Cunnla

Cunnla dear, don't come any nearer me  
Cunnla dear, don't come any nearer me  
Cunnla dear, don't come any nearer me  
Maybe I shouldn't, says Cunnla

Who is that down there tapping the windowpane  
Nobody, only Cunnla

Who is that down there raking the fire for me  
Nobody, only Cunnla

Who is that down there tickling the toes off me  
Nobody, only Cunnla

Who is that down there pulling the blanket off  
Nobody, only Cunnla
