

## We Have a Pig in the Parlor

We Have a Pig in the Parlor

We have a pig in the parlor,  
We have a pig in the parlor,  
We have a pig in the parlor,  
    And he is Irish, too.  
    And he is Irish, too.  
    And he is Irish, too.

We have a pig in the parlor,  
We have a pig in the parlor,  
We have a pig in the parlor,  
    And he is Irish, too.

It's a left hand to your corner,  
A right hand to your partner  
A left hand to your corner  
    And all promenade.  
    And all promenade.  
    And all promenade.

We have a pig in the parlor,  
We have a pig in the parlor,  
We have a pig in the parlor,  
    And he is Irish, too.
