

Lady, Art Thou Sleeping - song lyrics

American Old-time song lyrics from www.traditionalmusic.co.uk

Lady, Art Thou Sleeping?

Oh, lady! art thou sleeping
In your blissful realms,
Whilst my lonely watch I'm keeping!
Lady-love, farewell!
The night is gone, the morning
Aurora lights the sky!
The rainbow-dews are dawning-
Lady-love, good-bye;
The rainbow-dews are dawning-
Lady-love, good-bye.

Beneath thy window, nightly,
I'm touching my guitar!
And let thy smiles, sweet lady,
Cheer me when afar!
The night is gone, the morning
Grey streaks tint the sky;
The rainbow-dews are dawning-
Lady-love, good-night;
The rainbow-dews are dawning-
Lady-love, good-night.
