Words by James E. Adams. Music by Eddie Fox.

When the roses bloom in Spring,
And the Winter days have pass'd,
When the birds so sweetly sing,
My love will come at last;
No more sorrow, no more care.
Bright sunshine he will bring.
Content with love to share,
When the roses bloom in Spring
Come, love, now to cheer me,
I'm waiting to be near thee,
I will not be lonely.
For him I live only.
He is coming back to me,
My love far o'er the sea!

Refrain.
When the roses bloom in Spring,
And the Winter days have pass'd,
When the birds so sweetly sing,
My love has come at last;
No more sorrow, no more care,
Bright sunshine he will bring,
Content with love to share,
When the roses bloom in Spring.

Oh, he will never more from me stray,
Should harm befall him,
Oh, God, I pray,
Protect my darling, far o'er the sea,
And guide him safely
Back again to me.- Refrain.
