

Let Her Go - song lyrics

American Old-time song lyrics from www.traditionalmusic.co.uk

LET HER GO.

Sometimes there is a change In the weather, sometimes there is a change on sea,
Sometimes there's a change in my true love, but there is never a change in me.

Chorus.

Let her go, let her go, God bless her, she is mine wherever she may be;
She may travel this wild world all over, but she will find no change in me.

I would give my watch and chain, love, I would give my diamond ring,
I would give the heart that is in me to gain back my love again.

Chorus.

We must learn to take love easy, like the birds that are in the trees,
When they fly home to their nests, love, but there is no nest for me.
