

The Flag Of Our Union - song lyrics

American Old-time song lyrics from www.traditionalmusic.co.uk

THE FLAG OF OUR UNION.

"A song for our Banner "the watchword recall,
Which gave the Republic her station-
United we stand, divided we fall!
It made and preserved us a nation.
The union of lakes, the union of lands,
The union of States none can sever;
The union of hearts, the union of hands,
And the Flag of our Union forever and ever!
The Flag of the Union forever!

What God in his infinite wisdom designed,
And armed with republican thunder,
Not all the earth's despots and factions combined
Have the power to conquer or sunder,
The union of lakes, the union of lands,
The union of states none can sever;
The union of hearts, the union of hands,
And the Flag of the Union forever and ever;
The Flag of the Union forever!
