

All I wanna do is dance

I been looking, I been searching
I been like a buzzard perching on a branch
Its summer I've been hopping
I've been bopping
I've been running out of gas

Well tonight I gotta go to the ranch

Whoa ??? girl
Cause I wanna do is dance, dance

I been ??? ,I been burning, I been running ???
I been stepping, I been ???
Well Friday night I go to your house

Cause all I wanna do is dance

Well I been ???
And I know that you need me
Baby I know its hard for you

Well Friday night I go to your house
???

Cause all I wanna do is dance

Well look out boys ??? over

Cause you know ???
???and you know I would now now

I been looking, I been searching
I been like a buzzard perching on a branch
I've been slipping, I've been scraping
But you wont let me out
Well Friday night I go to your house
???

Cause all I wanna do is dance, dance, dance
