I know what its like to have failed baby

With the whole world lookin on

I know what its like to have soared

And come crashin like a drunk on a bar room floor

G
Now You got no reason to trust me

My confidence is a little rusty

CG

But if You dont feel like bein alone

CG

Baby I could walk you all the way home

G
Well now our old fears and failures

Baby They do linger

Like the shadow of tht ring

That was on your finger

CG

Those days theyve come and gone

CG

Baby I could walk you all the way home

Solo harmonica

C
Love leaves nothin but shadows and vapor
