

Baby I love you  
(Spector, Greenwich, Barry) by The Ronettes (Philles 118), 1963

Have I ever told you  
How good it feels to hold you  
It isn't easy to explain, oh baby  
And though I'm really trying  
I think I may start crying  
My heart can't wait another day  
When you kiss me I gotta say

Baby I love you  
Baby I love you  
Baby I love only you

I can't live without you  
I love everything about you  
I can't help it that I feel this way  
Oh I'm so glad I found you  
I want my arms around you  
I love to hear you call my name  
Tell me that you feel the same

Baby I love you  
Baby I love you  
Baby I love only you

Baby I love you  
Baby I love you  
Baby I love only you
