

Candy's room

In Candys room there are pictures of her heroes on the wall
But to get to Candys room you gotta walk the darkness of Candys hall
Strangers from the city call my babys number and they bring her toys
When I come knocking she smiles pretty she knows I wanna be Candys boy
Theres a sadness hidden in that pretty face
A sadness all her own from which no man can keep Candy safe
We kiss my hearts pumpin to my brain
The blood rushes in my veins fire rushes towards the sky
We go driving driving deep into the night
I go driving deep into the light in Candys eyes
She says baby if you wanna be wild you got a lot to learn, close your eyes
Let them melt let them fire let them burn
`Cause in the darkness therell be hidden worlds that shine
When I hold Candy close she makes these hidden worlds mine

She has fancy clothes and diamond rings
She has men wholl give her anything she wants but they dont see
That what she wants is me, oh and I want her so
Ill never let her go no no no
She knows that Id give all that I got to live
All that I want all that I live to make Candy mine
