

## Car wash

Well my name is Catherine LeFevre  
I work at the Astrowash on Sunset and Vine  
I drop my kids at school in the morning  
And I pick them up at Marys just fore supertime

### Chorus:

Well I work down at the car wash  
For a dollar and a dime  
And mister, I hate my boss  
Its at the car wash Im doing my time  
Pick up my water bottle and my towel, sir  
And I take em one by one  
From Mercedes to VWs  
I do em all and I dont favor none

### (Chorus)

Well someday Ill sing in a night club  
Ill get a million-dollar break  
A handsome man will come here with a contract in his hand  
And say Catherine, this has all been some mistake
