

Cindy-crd

I pick you up with flowers when you get off from work
 It's like you don't even care it's like I'm some kind of jerk
 I take you out on a date and then you won't even kiss me
 Boy when I ain't around I'll bet you don't even miss me

I don't know why I love you like I do
 I try and try, you treat me like a fool
 It makes me want to cry, it makes me feel so blue
 But I just do, baby I just do

I call you up just to pass the time
 Soon as you hear my voice you disconnect the line
 And when I call you back your mother says you ain't home
 Cindy I know that you're on the other end of this phone

Oh in this world there ain't another like you
 My little candy girl, so hard-hearted and cruel
 I think that's what keeps me coming back
 I'm a fool for you Cindy and I like it like that

I came to get you last night, Cindy at quarter to six
 Your Daddy came to the door, he said Cindy got sick
 She got sent home from work with a note from the nurse
 And I worry your presence would make her condition worse

But it ain't your health, 'cuz you sure look so fine
 Little girl it's something else that's on my mind
 Whatever you got, well you can give it me
 'Cuz if it's good enough for you it's good enough for me

I don't know why I love you like I do
 You make me cry and feel like a fool
 I guess I like it when you hurt me this way
 You dish it out and I just put it away
