

Crazy rocker

Yeaaaaahhhhh

It doesn't matter, she don't ride

And I don't want her to come my way

It doesn't matter, she don't mind

????

I said it's alright, and baby she don't lose

And its outta sight, I'm gonna find a way

And it's alright ???

???

Now

Got a switch blade ???

???

???

???

I said it's alright ???

???

Its alright ???

Now wait a minute, just wait a minute

Ahhhh one more time

???

???

???

???

And I said its alright, I'm coming home

???

And its alright, the debt I lose

Today

Won't you call my name?

???

....

???
