| B |

I get up in the evening, and I ain't got nothing to say

I come home in the morning, I go to bed feeling the same way E

I ain't nothing but tired, man I'm just tired and bored with myself

Hey there baby, I could use just a little help

You can't start a fire, you can't start a fire without a spark

This gun's for hire even if we're just dancing in the dark

Message keeps getting clearer, radio's on and I'm moving round the place E

I check my look in the mirror I wanna change my clothes my hair my face

Man I ain't getting nowhere Im just living in a dump like this

There's something happening somewhere baby I just know that there is

You can't start a fire, you can't start a fire without a spark

This gun's for hire even if we're just dancing in the dark

You sit around getting older there's a joke here somewhere and it's on me

I'll shake this world off my shoulders come on baby this laughs on me

Stay on the streets of this town and they'll be carving you up alright

They say you got to stay hungry hey baby I'm just about starving tonight E

I'm dying for some action I'm sick of sitting 'round here trying to write this book

I need a love reaction come on now baby gimme me just one look

You can't start a fire, sittin round crying over a broken heart

This gun's for hire even if we're just dancing in the dark

You can't start a fire, worrying about your little world falling apart

This gun's for hire even if we're just dancing in the dark

Even if we're just dancing in the dark

Even if we're just dancing in the dark

Even if we're just dancing in the dark
