

**Darkness on the edge of town**

Theyre still racing out at the Trestles  
But that blood it never burned in her veins  
Now I hear shes got a house up in Fairview  
And a style shes trying to maintain  
Well if she wants to see me  
You can tell her that Im easily found  
Tell her theres a spot out `neath Abrams Bridge  
And tell her theres a darkness on the edge of town

Everybodys got a secret Sonny  
Something that they just cant face  
Some folks spend their whole lives trying to keep it  
They carry it with them every step that they take  
Till some day they just cut it loose  
Cut it loose or let it drag `em down  
Where no one asks any questions  
Or looks too long in your face[1]  
In the darkness on the edge of town

Some folks are born into a good life  
Other folks get it anyway anyhow  
I lost my money and I lost my wife  
Them things dont seem to matter much to me now  
Tonight Ill be on that hill `cause I cant stop  
Ill be on that hill with everything I got  
Lives on the line where dreams are found and lost  
Ill be there on time and Ill pay the cost  
For wanting things that can only be found  
In the darkness on the edge of town
