

Drive all night

When I lost you honey sometimes I think
I lost my guts too
And I wish God would send me a word
send me something Im afraid to lose
Lying in the heat of the night like
prisoners all our lives
I get shivers down my spine and all
I wanna do is hold you tight

Chorus:

I swear Ill drive all night
just to buy you some shoes
And to taste your tender charms
And I just wanna sleep tonight again
in your arms

Tonight theres fallen angels and theyre
waiting for us down in the street
Tonight theres calling strangers, hear
them crying in defeat.
Let them go, let them go, let them go, do
their dances of the dead (letem go right ahead)
You just dry your eyes girl, and cmon
cmon cmon lets go to bed, baby, baby, baby

(Chorus)

Theres machines and theres fire
waiting for us on the edge of town
Theyre out there for hire but baby
they cant hurt us now
Cause youve got, youve got, youve got,
youve got my love, youve got my love
Through the wind, through the rain, the
snow, the wind, the rain
Youve got, youve got my, my love
heart and soul
