

Everybody wants my baby

Everybody, everybody starts talking  
When at night my baby goes walking  
Everywhere I go I gotta keep my eyes on her  
Better look away or buddy you're a gonna

Everybody wants my baby  
Everybody wants my baby

Now it ain't that she's the finest little girl around  
Theres a lot of other pretty girls here in town  
Theres just something about her I can't tell it  
But if I knew what it was I'd bottle it and sell it

Everybody wants my baby  
Everybody wants my baby

Just one thing ....her old man tells everybody...talk  
Just one glance and everybody rip their hearts out  
Sure what I got keeps everybody look sharp  
Fighting in the alley or rumble out in the dark

Everybody wants my baby  
Everybody wants my baby  
Everybody wants my baby

Now what I wanna do  
???  
I gotta stay awake and watch now when she's sleeping  
I don't know I gotta chance it  
???

Everybody wants my baby  
Everybody wants my baby

I'd give her all my money I'd give her my best shirt  
"Thank you honey" and she'd pull right off and she'd flirt  
I'd don't know what I'm gonna do  
I gotta make her ??? keep from thinking of you

Everybody wants my baby  
Everybody wants my baby  
And I don't know what I'm gonna do
