

I'm a rocker

I got a 007 watch and its a one and only
Its got a I-Spy beeper that tells me when youre lonely
I got a Batmobile so I can reach ya in a fast shake
When your worlds in crisis of an impendin heartbreak

Now dont you call James Bond or Secret
Agent Man
Cause they cant do it, like I can
Im a rocker, baby, Im a rocker - every day
Im a rocker, baby, Im a rocker

If youre hanging from a cliff or youre tied to the tracks, girl
Columbo split and you cant find Kojak
True love is broken and your tears are fallin faster
Youre sufferin from a pain in your heart
or some other natural disaster

Now I dont care what kind of shape youre in
If they put up a roadblock, Ill parachute in
Im a rocker, baby, Im a rocker - Im in love
Im a rocker, baby, Im a rocker - every day
Im a rocker, baby, Im a rocker - with you

So you fell for some jerk who was tall, dark and handsome
Then he kidnapped your heart and now hes holdin it for ransom
Well, like a mission impossible Im gonna go and get it back
You know I woulda taken better care of it, baby, than that

Sometimes I get so hot girl, well, I cant talk
But when Im with you I cool off , and I walk
Im a rocker, baby, Im a rocker, and I talk
Im a rocker, baby, Im a rocker, every day
Im a rocker, baby, Im a rocker, every day
