

I'm not sleeping  
(Grushecky / Springsteen) by Grushecky Coming Home, 1997

I never go out, I just stay at home  
Change my address and disconnect the phone  
Turn off the TV because it bothers me  
I've seen all, seen all I want to see  
And if my friends ask where I've been  
Just say I don't know what's become of him

Well I'm not sleeping  
I'm only resting my eyes  
I'm not sleeping  
I'm only taking my time

Well it's so hard, so hard to be responsible  
Knowing everything, everything that's possible  
When the bad wind when it comes blowing in  
I'll pack my things and I'll move on again  
Feed the rich, fool the poor  
Stack the bodies outside my door

Cause I'm not sleeping  
I'm only resting my eyes  
Well I'm not sleeping  
I'm only taking my time

The world outside is such a dangerous place  
That I don't dare, I don't dare show my face  
They got my number, they know where I live  
I've got no more to say, I've got no more to give

But I'm not sleeping  
Yea I'm not sleeping

Another night comes drawing near  
I lock my doors and then I disappear

But I'm not sleeping  
I'm only resting my eyes  
Well I'm not sleeping  
I'm only taking my time  
I'm not sleeping
