Baby when I ask you if everything is alright  
 You whisper "Don't worry" and you shut out the light  
 Now black is black in this bed we're laying  
 And I wanna believe the words that your lips are saying

But your eyes look like a leavin' train  
 They keep on dragging me down  
 Your eyes look like a leavin' train  
 They keep on draggin'  
 They keep on draggin'  
 They keep on draggin' me down

Well I did anything just to try to get close to you  
 I took it step by step like a man's supposed to  
 Tell me now, is this my is this my contrition  
 To have the love that I longed for fill me with suspicion

But your eyes look like a leavin' train  
 They keep on dragging me down  
 Your eyes look like a leavin' train  
 They keep on draggin'  
 They keep on draggin'  
 They keep on draggin' me down

Say now it's tellin' time, oh my little sister  
 Now can I believe the words, the words of love you whisper  
 Is my train in vain, ooh has my soul gone to waste  
 Am I just a victim of, a victim of my lost faith

But your eyes look like a leavin' train  
 They keep on dragging me down  
 Your eyes look like a leavin' train

They keep on draggin'

They keep on draggin'

They keep on draggin' me down
