

Loose ends

We met out on open streets
When we had no place to go
I remember how my heart beat
When you said I love you so
Then little by little
We choked out all the life that our love could hold

No, no
It was like we held a noose
And baby without check
We pulled till it grew tighter around our necks
Each one waiting for the other
Darling to say when
Now baby you can leave me tonight on the loose end

We didnt count tomorrows
We took what we could and baby we ran
There was no place for sorrow
Every place we went I held your hand
And when the night closed down
I was sure your kisses told me all I had to know
But oh no

It was like we held a noose
And baby without check
We pulled till it grew tighter around our necks
Each one waiting for the other
Darling to say when
Well baby you can leave me tonight on the loose end

Our love has fallen around us
Like we said it never could
We saw it happen to all the others
But to us it never would
Well how could something so bad, darling
Come from something that was so good
I dont know

But its like we held a noose
And baby without check
We pulled till it grew tighter around our necks
Each one waiting for the other
Darling to say when
Well baby you can leave me tonight on the loose end

On a loose end
