

Lucky Man

Running down the highway half past eleven
Waitin for my odometer to roll straight sevens
Im a lucky man
I went to see the gipsy the other night
She looked in my palm looked me in the eye
Said youre a lucky man
Some folks got fortunes some got eyes of blue
What you got will always see you through
Youre a lucky man
Pa went to the army to the factory to the killing yard
I make my living with my hands behind the wheel of this car
Im a lucky man
Messin with me man wouldnt be wise
Roll them dice son - ah snake eyes
Im a lucky man
Had a girl in Calgary I gave her up
Man that love thing was messin with my luck
Im a lucky man
Ill wake up tomorrow morning in another state
Kiss me now baby before its too late
If you wanna kiss a lucky
I dont miss no girl I dont miss no home
He travels fastest who travels alone
Hes a lucky man
A man with the world in the palm of his hands
