

Politician

(Jack Bruce, Pete Brown) by Cream

Hey now baby, get into my big black car.
Hey now baby, get into my big black car.
I want to just show you what my politics are.

Im a political man and I practice what I preach.
Im a political man and I practice what I preach.
So dont deny me baby, not while youre in my reach.

I support the left, though Im leaning, leaning to the right.
I support the left, though Im leaning to the right.
But Im just not there when its coming to a fight.

Hey now baby, get into my big black car.
Hey now baby, get into my big black car.
I want to just show you what my politics are.
