Hey blackjack dealer, hit me man

Bright lights city gonna set my soul gonna set my soul on fire
 I got a whole lotta money that's ready to burn so get those stakes up high
 There's a thousand pretty women just-a waiting out there
 They're all living just the devil may care
 And I'm just a devil with love to spare
 So Viva Las Vegas, viva Las Vegas

I wish that there were more than twenty-four hours in a day
 Even if there were forty more I wouldn't sleep a minute away
 There's blackjack, poker, and roulette wheel

A fortune won and lost on every deal
 All you need is money and nerves of steel
 Viva Las Vegas, viva Las Vegas

Well viva Las Vegas with the neon flashing
 And the walls crashing all your hopes down the drain
 Yeah viva Las Vegas turning day into nighttime
 Turning night into daytime if you seen it once you'll never be the same
 again

I'm gonna be on the run I'm gonna have me some fun if it costs me my very last dime
 If I wind up broke, well, I'll always remember that I had me a swinging time
 I'm gonna give it everything I got
 Lady Luck I want you let the dice stay hot
 Let me shoot a seven with every shot
 Viva Las Vegas, viva Las Vegas, viva Las Vegas , viva Las Vegas
 Viva, viva Las Vegas busted

(fade out) Hey man, you going anywhere near Vegas?
