

## Every Time

(D)Ev'ry time I (G)hear a sweet bird (D)singin'  
I (A7)think of you and (D)I, my dear,  
I (A7)think of you and (D)I.  
(D)When I hear the (G)evenin' bells a (D)ringin'  
I (A7)hang my head and (D)cry, my dear,  
I (A7)hang my head and (D)cry.

(D)And they will ring,  
And they will (G)ring (D) - (A7)  
When we are (D)gone.

Ev'ry time I hear your soft voice hummin'  
My heart jumps in my breast, my dear,  
My heart jumps in my breast.  
An until I hear your footsteps comin'  
I sure can know no rest,my dear,  
I sure can know no rest.

I will love you,  
I will love you  
When we are gon.

I will love you,  
I will love you  
When we are gone.
