

Jimmy Newman
Tom Paxton

E A E
 Get up Jimmy Newman the morning is come
 F E
 The engine's are rumbling the coffee's all brewed
 A E
 Get up Jimmy Newman there's work to be done
 F B
 And why do you lie there still sleeping
 E A
 There's a waiting line forming to use the latrine
 E B
 And the sun is just opening the sky
 E A E
 The breakfast they're serving just has to be seen
 F E
 And you've only to open your eyes
 A E
 Get up Jimmy Newman my radio's on
 F E
 The news is all bad but it's good for a laugh
 A E
 The tent flap is loose and the peg must be gone
 F B
 Why do you lie there still sleeping
 E A
 The night nurse is gone and the sexy one's here
 E B
 And she tells us such beautiful lies
 E A E
 Her uniform's tight on her marvellous rear
 F E
 And you've only to open your eyes
 A E
 Get up Jimmy Newman you're missing the fun
 F E
 We're loading the plane Jim it's time to go home
 A E
 It's over for us there's no more to be done
 F B
 And why do you lie there still sleeping
 E A
 It's stateside for us Jim the folks may not know
 E B
 We'll let it be such a surprise
 E A E
 They're loading us next Jim we're ready to go
 F E
 And you've only to open your eyes
 A E
 Get up Jimmy Newman they won't take my word
 F E
 I said you sleep hard but they're shaking their heads
 A E
 Get up Jimmy Newman and show them you heard
 F B
 Jimmy just show them you're sleeping
 E A
 A joke is a joke but there's nothing to gain
 E B
 Jim I'd slap you but I'm too weak to rise
 E A E
 Get up damn it Jimmy you're missing the plane
 F
 And you've only to open your eyes
