

Morning Wonder  
Words and Music by Tom Paxton

Morning wonder, day on the way,  
Don't suppose they'll be clouds today.  
Feel that silence;  
Near it starts to hum-  
Glory, let the new day come.

Morning, let me find you a rose.  
Wonder if my love for you shows.  
I could tell you  
If you've got the time-  
Glory, let the morning shine.

Let it shine on me,  
Let it shine on you,  
Sine on you,  
Make it fine to be  
Here alone with you,  
Loving you.

Morning, see the last star fade.  
Morning, I'm so glad I stayed.  
Who could tell us  
Where the love came from?  
Glory, let the morning come.

Let it shine on me,  
Let it shine on you,  
Sine on you,  
Make it fine to be  
Here alone with you,  
Loving you.  
Morning, see the last star fade.  
Morning, I'm so glad I stayed.  
Who could tell us  
Where the love came from?  
Glory, let the morning come.
