

## This World Goes Round And Round

(G)This world goes round and round.  
Green leaves will turn to brown.  
(D)What goes up, must come down.  
(C)It all comes back to (D)you,  
And (G)you'll find whatever you feel,  
You'll loose whatever you steal.  
(D)Just like a spinning wheel,  
The (C)world goes round and (G)round.

(G)People knocking on the Golden Door,  
(D)They got plenty, but all want more,  
(C)They don't know what they're looking for,  
And the (G)world goes (D)round and (G)round.

This world goes round and round.  
Green leaves will turn to brown.  
What goes up, must come down.  
It all comes back to you,  
And you'll find whatever you feel,  
You'll loose whatever you steal.  
Just like a spinning wheel,  
The world goes round and round.

We keep fighting but we just can't win,  
Looks like we're gonna do it again.  
That's just where I came in.  
And the world goes round and round.

This world goes round and round.  
Green leaves will turn to brown.  
What goes up, must come down.  
It all comes back to you,  
And you'll find whatever you feel,  
You'll loose whatever you steal.  
Just like a spinning wheel,  
The world goes round and round.

Rain water runs to the sea,  
Evaporation makes the clouds, agreed.  
Then it comes and rains on me.  
And the world goes round and round.

This world goes round and round.  
Green leaves will turn to brown.  
What goes up, must come down.  
It all comes back to you,  
And you'll find whatever you feel,  
You'll loose whatever you steal.  
Just like a spinning wheel,  
The world goes round and round.

We keep a-lying, but it ain't no use.  
We keep a-cheating but we can't break loose.  
If a chicken comes home to roost.  
And the world goes round and round.

This world goes round and round.  
Green leaves will turn to brown.  
What goes up, must come down.  
It all comes back to you,  
And you'll find whatever you feel,  
You'll loose whatever you steal.  
Just like a spinning wheel,  
The world goes round and round.
