

We Have Each Other  
Words and Music by Tom Paxton

Everybody needs to know they have a friend somewhere.  
Everybody needs to know they have a friend out there.  
We have each other.  
That's good to know.  
You'll be a friend of mine as long as the tall trees grow.

Even if a thoughtless word is sometimes heard.  
Even if we sometimes say an angry word.  
We have each other.  
That's good to know.  
You'll be a friend of mine as long as the tall trees grow.

And I'm so glad that I'm your friend and you are  
mine.  
We're gonna be the best of friends for a long long time.  
Someone who will, stick through thick and thin.  
Someone who will take it with a grin.  
We have each other.  
That's good to know.  
You'll be a friend of mine as long as the tall trees grow.

Even if a thoughtless word is sometimes heard.  
Even if we sometimes say an angry word.  
We have each other.  
That's good to know.  
You'll be a friend of mine as long as the tall trees grow.

And I'm so glad that I'm your friend and you are  
mine.  
We're gonna be the best of friends for a long long time.  
Someone who will, stick through thick and thin.  
Someone who will take it with a grin.  
We have each other.  
That's good to know.  
You'll be a friend of mine as long as the tall trees grow.  
You'll be a friend of mine as long as the tall trees grow.
