

**Bargain Store**

(Am)My life is like (G)unto a bargain (Am)store  
And I may have just (G)what you're looking (Am)for  
If you don't mind the fact that all the (G)merchandise is (Am)used  
But with a little (G)mending it could be as good as (Am)new

Why you take for instance (G)this old broken (Am)heart  
If you will just (G)replace the missing (Am)parts  
You would be surprised to find how (G)good it really (Am)is  
Take it and you never will be (G)sorry that you (Am)did

Cho:

The (Am)bargain store is (G)open come (Am)inside  
You can (G)easily afford the (Am)price  
Love is all you need to purchase (G)all the (Am)merchandise  
And I can guarantee you'll be (G)completely (Am)satisfied

(Am)Take these old used (G)mem'ries from the (Am)past  
And these broken dreams and (G)plans that didn't (Am)last  
I'll trade them for a future, I can't (G)use them (Am)anymore  
I've wasted love, but (G)I still have some (Am)more  
Repeat cho:

The (Am)bargain store is (G)open come (Am)inside  
The (Am)bargain store is (G)open come (Am)inside  
Repeat verse 1
