

## Crazy Heart

Recorded by The Lonesome River Band

Written by Sharon Rose Higgins and Billy Smith

G D7  
Like the wild west wind so uncertain  
You're changing like the weather everyday G  
One night we're in love the next I'm hurtin' D7  
Your crazy heart is driving me insane G

Crazy heart I wish I didn't love you D7  
And I could turn around and walk away G  
I've only got a half a mind to leave you D7  
Your crazy heart is driving me insane G

All I want is a love that I can count on D7  
Can't hold to the promises you've made G  
How can it feel so right then go so wrong D7  
Your crazy heart is driving me insane G

Repeat #2 x2

Your crazy heart is driving me insane D7 G
