

Shine Like The Sun

Shine Like The Sun

By Dolly Parton (From 9-5 soundtrack)

Capo 4

I've been down on my luck, I've been saddled with trouble and sorrow
 But I ain't givin' up' 'cause I know there is always tomorrow
 There are no guarantees, life is always a hit or miss
 But I truly believe I won't always be feeling' like this

Chorus:

I'm gonna shine like the sun when the clouds roll away from my door
 When it's all said and done, I won't be at your mercy no more
 I'll be out chasin' rainbows, rejoicin' and havin' my fun
 Yeah, when the cryin's all done, I'm gonna shine like the sun

I've been thinking here lately what all I can do to improve
 Though I've suffered greatly, I know just what I have to do
 I have to move forward, cut losses, break loose and move on
 And I have to swim shoreward lest I should drown out here alone

Chorus 2:

I'm gonna shine like the sun When these clouds roll away from my door
 I won't crawl I can run I'll be at no ones mercy no more
 I'll be swinging on sunbeams So proud that I finally won
 Yeah, when the losin's all done, I'm gonna shine like the sun

I'm gonna shi-i-i-ne like the sun.

I'm gonna shi-i-i-ne like the sun

We'll be out chasin rainbows, so proud that we've finally won

Yeah, when the losin's all done, we're gonna shine like the sun

When the cryin's all done, when the lyin's all done

When the tryin's all done, there'll be nothin' but sun

When it's all said and done, we're gonna shine like the sun
