

Prince of Peace, Control My Will-crd

D D/A A  
 Prince of Peace, control my will,  
           e          G/D A/C#          G/D D  
 Bid this struggling heart be still;  
           G          G/B G          G/D D  
 Bid my fears and doubtings cease,  
       D#dim e          A          A/D D  
 Hush my          spirit into peace.

Thou hast bought me with Thy blood,  
 Opened wide the gate to God;  
 Peace, I ask, but peace must be,  
 Lord, in being one with Thee.

May Thy will, not mine, be done,  
 May Thy will and mine be one;  
 Chase these doubtings from my heart,  
 Now Thy perfect peace impart.
