Falling In Love With Love

Andy Williams

Words by Lorenz Hart and Music by Richard Rodgers

"The Boys From Syracuse"

A # 18 hit for Frances Langford in 1939

Falling in love with love is falling for make-believe

Falling in love with love is playing the fool

Caring too much is such a juvenile fancy

Learning to trust is just for children in school

I fell in love with love one night when the moon was full

I was unwise with eyes unable to see

I fell in love with love, with love everlasting

But love fell out with me

Oh, I fell in love with love one night when the moon was full

I was unwise with eyes unable to see

I fell in love with love, with love everlasting

But love fell out with me
