Nancy (With the Laughing Face)

Frank Sinatra

Words by (comedian) Phil Silvers and Music by Jimmy Van Heusen

If I don't see her each day I miss her  
Gee, what a thrill each time I kiss her  
I've got a terrible case  
On Nancy with the laughin' face

She takes the winter and makes it summer  
But summer could take some lessons from her  
Picture a tomboy in lace  
That's Nancy with the laughin' face

Have you ever heard mission bells ringin'?  
Well, she'll give you the very same glow  
When she speaks you would think it was singin'  
Just hear her say "hello"

I swear to goodness you can't resist her  
Sorry for you, she has no sister  
No angel could replace  
Nancy with the laughin' face

(instrumental break)

Keep Betty Grable, Lamour, and Turner  
She makes my heart a charcoal burner  
It's heaven when I embrace  
My Nancy with the laughin' face

(instrumental to end)
