There Goes That Song Again

Russ Morgan

There goes that song again, we use to call our serenade

We fell in love when we heard it played

Over & over & over, over again

I still remember when

I sang the words and they made you mine

I'd steal a kiss and repeat each line

Over & over & over, over and then

We drifted apart, you walked off with my heart

It's funny how one listens,

Just starts me reminiscing

I'd soon forget that yea, I told myself

When you said, "So long", but I was wrong

There goes that song again
