Am                G             F                        E
Baby, do you understand me now, sometimes I get a little mad.
Am                                G
Don't you know no one in life can always be an angel.
F                                       E
When everything goes wrong, it seems so bad.

CHORUS:
C                       Am
But I'm just a soul whose intentions are good
[n.c.]
F                                       Am
Oh Lord, please don't let me be misunderstood.

Baby, sometimes I'm so care free, with a joy that's hard to hide,
And other times it seems all I ever do is worry,
Then you're bound to see my other side.

CHORUS:
F          G       F          G
If I seem edgy, I want you to know,
F             G               C     Am
That I never mean to take it out on you,
Life has its problems, and I get my share,
But that is one thing I never mean to do, cause I love you

Oh, oh baby, you know I'm human, I have faults just like any other one
But sometimes I find myself long regretting,
Some simple thing, some foolish thing I've done.

CHORUS:
