Side By Side - Harry MacGregor Woods

D                     G  D
Oh, we ain't got a barrel of money,
D                     G  D
Maybe we're ragged and funny,
D7         G            D         B7   E7   A7 D   A7
But we'll travel along, singin' a song, side by side.

D                           G  D
Don't know what's comin' tomorrow;
D                      G  D
Maybe it's trouble and sorrow,
D7         G               D          B7    E7   A7 D
But we'll travel our road sharin' our load side by side.

Bridge:
F#7                          B7
Through all kinds of weather, what if the sky should fall?
E7                         A7             Adim      A  A7
As long as we're together, it really doesn't matter at all.

When they've all had their quarrels and parted,
We'll be the same as we started,
Just trav'lin' along, singin' a song, side by side.
