

Trouble In Mind

I'm gonna lay my head on some lonesome railroad line
And let that old 2-20 pacify mind
Yeah I'm goin' down to the river I'm gonna take me a rockin' chair
Yeah honey if these blues don't get me I'm gonna rock away from here
Well trouble in mind I'm blue but I won't be blue always
Before the sun's gonna shine in my backyard one of these days
[guitar - harmonica]
Trouble in mind that's true I've almost almost lost my mind
Sometimes I feel like livin' sometimes I feel like dyin'
Well trouble in mind I'm blue...
